

Complaints Procedure

Effective Date: 1 September 2018

Welcome.

Wealth Planners (Pty) Ltd is an FSCA licensed independent financial planning practice registered as a financial services provider (FSP) number 37933 and has been mindfully partnering with clients since 2009.

The Financial Advisory and Intermediary Services Act, No. 37 of 2002 ("FAIS"), deals with complaints. Specifically section 27(1) Receipt of Complaints, prescription, jurisdiction and investigation. As a licensed FSP, we are required to have systems in place for the purpose of timeous and efficient resolution of complaints within the specified timeframes.

Definition of a complaint

Compliant means a specific complaint relating to a financial service rendered to a client on or after the date of commencement of FAIS, alleging that we:

- contravened or failed to comply with a provision of FAIS and that, as a result, a client has suffered financial prejudice or damage; or
- willfully or negligently rendered a financial service to a client, which has caused prejudice or damage to a client, or which is likely to result in such prejudice or damage; or
- treated the client unfairly.

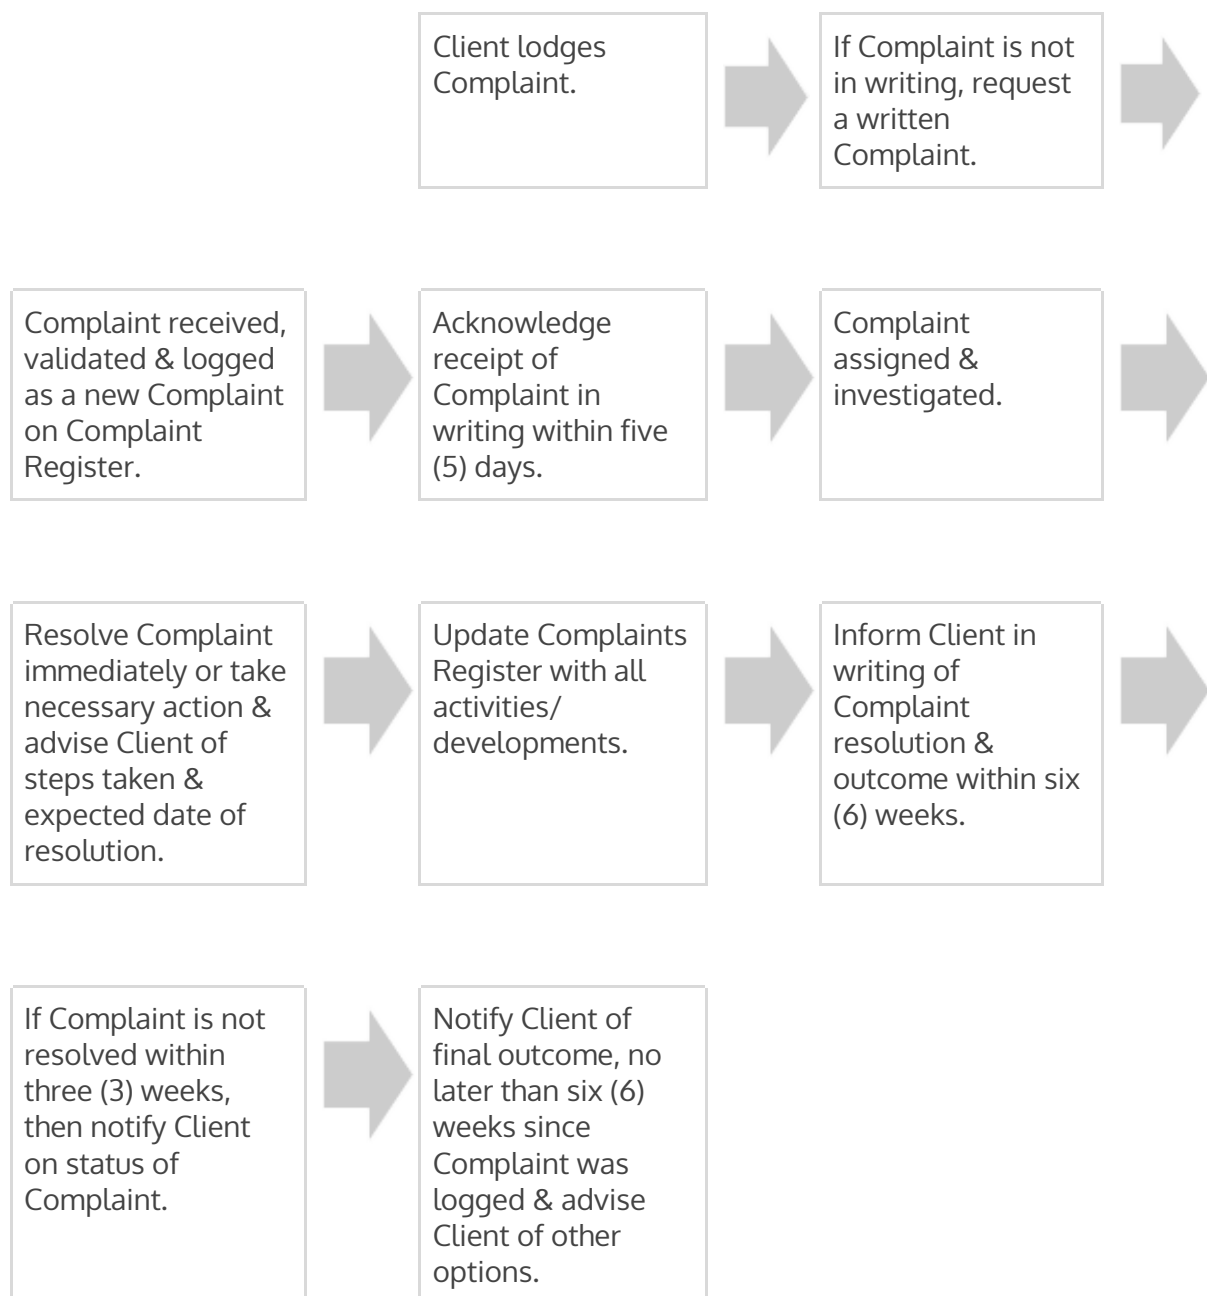

The complaints procedure

We deal with complaints as follows:

1. Log the date and contents of the complaint in the Complaints Register.
2. If a complaint is not in writing, ask the client to lodge the complaint in writing.
3. Acknowledge receipt of the complaint in writing within five (5) days of receipt, and give the client the name(s) and contact details of the employee responsible for the resolution of the complaint.
4. Investigate the complaint to ascertain whether the complaint can be resolved immediately.
5. If the complaint can be resolved immediately, take the necessary action and advise the client accordingly.
6. If the complaint cannot be resolved immediately, send the client a written summary of the steps to be taken to resolve the matter and the expected date of resolution.

7. If unable to resolve the complaint within three (3) weeks of logging the complaint with the Complaints Register, notify the client by means of a written acknowledgement. This will outline the current status of the complaint and the expected date of final resolution.
8. If unable to resolve the complaint within a further (3) weeks of the written acknowledgement (six (6) weeks since complaint logged), notify the client giving full written reasons as to why the outcome was not favourable, and advise the client of their right to seek legal redress by referring the complaint to the Office of the Ombudsman.
9. Notify the complainant that they have six (6) months of receipt of such name, address and other contact details must be provided.
10. Update the register with all activities/developments.
